Lower Bucks Diving League

The Lower Bucks Diving League consists of two divisions; Red Division and White Division.

Meets are held twice a week from late June until late July with Championships held at the end of the season. The diving division is scored separately from the swimming divisions and has its own rankings.

Diving categories include the forward dive, back dive, reverse dive, inward dive and twist. Each dive may be performed in one of four positions: tuck, pike, straight or free. Specific dives are required at each meet. Each dive is assigned a degree of difficulty which is used in conjunction with the judges score to award points for each dive.

Age Groups

Divers compete against other kids in their age groups. The age groups are determined based on their age as of June 30th and are defined:

- Girls 8 years old & Under
- Boys 8 years old & Under
- Girls 9, 10 & 11 years old
- Boys 9, 10 & 11 years old
- Girls 12, 13 & 14 years old
- Boys 12, 13 & 14 years old
- Girls 15 to 18 years old
- Boys 15 to 18 years old

Required Dives

Each meet the divers are required to perform a pre-identified required dive. In addition, each diver depending on age group will need to perform a number of optional dives in any of the five categories. Optional requirements by age group are:

- 8 & Under – required dive plus 2 optional dives
- 9, 10 & 11 – required dive plus 2 optional dives
- 12, 13 & 14 – required dive plus 3 optional dives
- 15 to 18 - required dive plus 4 optional dives

Parent's Responsibility

In order for our team to be successful, we need parents to assist with our meets. We are responsible for providing Judges and Scorekeepers for each meet. Training will be made available when we get closer to the start of the season.

Practices

Practices will be held as frequently as possible, but are tentatively planned for evenings. A schedule will be posted once it has been finalized.
